EIFIX FROZEN CONVENIENCE RANGE

EIFIX SNEGG, FROZEN

# Scrambled eggs, in formed portions.

## YOUR ADVANTAGES AT A GLANCE

- scrambled eggs, in portions, with a professional, attractive appearance
- failproof with easy to calculate portions
- 100 % vegetarian
- best natural ingredients guarantee a delicious flavour
- no preservatives or flavour enhancers; gluten-free
- convenient, because already fully cooked and frozen
- simply heat – and they're ready to eat
- very versatile for individual uses

**PREPARATION** (The regeneration time always depends on the type of appliance used, its output and the product's temperature.)

**In-store oven:** Pre-heat the oven to 230 °C. Place 10 Eifix Snegg on a baking tray and bake for approx. 10 minutes.

**High-speed oven:** Take individual Eifix Sneggs and heat them at 250 °C (fan 5 %, microwave 100 %) for approx. 1:40 minutes.

**Microwave:** Take individual Eifix Sneggs and heat them at 1000 watts for approx. 1:45 minutes. Cover Sneggs when heating.

**Combi-steamer:** Preheat combi-steamer to 130 °C/60 % steam. Place 10 Eifix Sneggs on a tray and heat for approx. 10 minutes

**Professional tip:** For the delicious bread roll snack, Eifix Snegg can be perfectly prepared in the Merrychef.

**Please note:** These instructions apply for Snegg which have been taken from the freezer immediately before preparation, at a temperature of -18 °C.

**EIFIX** SCRAMBLED EGGS, FROZEN

# Easy and delicious.

## YOUR ADVANTAGES AT A GLANCE

- fully cooked with delicious seasoning
- selected, premium ingredients including barn eggs, milk, cream and a choice combination of seasonings guarantee an exquisite taste
- straight from the freezer, simply heat – and it's ready to eat
- easy to divide into portions and absolutely failproof
- no preservatives; gluten-free

**PREPARATION** (The regeneration time always depends on the type of appliance used, its output and the product's temperature.)

The Eifix Scrambled Eggs are already fully cooked and only need to be heated.

**Microwave:** Place one portion (125 g) of scrambled eggs into a microwaveable dish and heat at 1000 watts for 2 minutes. Cover the scrambled eggs when heating.

**Combi-steamer:** Preheat combi-steamer to 110 °C/60 % steam. Place 1000 g frozen Eifix Scrambled Eggs on a tray and heat for approx. 8 minutes.

**2 minute scrambled eggs in microwave pouch:** Individual scrambled egg portions are available in practical microwave pouches (125 g), which can be placed directly in the microwave. Heat at 1000 watts for 2:00 minutes for guaranteed scrambled egg enjoyment. Just cut open the pouch and serve.

**Please note:** These instructions apply for scrambled eggs portions, which have been taken from the freezer immediately before preparation, at a temperature of -18 °C.

**NUTRITIONAL VALUES** (Average nutritional value per 100 g)
